

## **Sports Premium Funding 2019-2020**

### **Introduction**

At Epsom Primary and Nursery School, we believe every child should have the opportunity to be active and Physical Education plays an important part in their journey with us. We are very proud to have been awarded the Silver Sainsbury's School Sports Mark again this year as we feel this reflects our ongoing commitment to the participation in and the enjoyment of, sports for all.

We receive additional funding from the Government to improve provision of physical education and sport in primary schools. We are committed to using this money to leave a legacy; providing children with high quality teaching, opportunities to try a variety of sports, take on leadership roles and participate in both intra and inter competitions.

### **Sports Premium Grant**

- Total number of primary aged pupils between the ages of 4 – 11 Sept 2019 = 500
- Estimate of total amount of Sports Premium Grant received for the academic year 2019-2020 = £20,510

### **What does the Sports Premium mean for the school?**

The D of E Guidance for PE and Sports premium for primary schools (2018/2019) states:

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport.

There are 5 key indicators that schools should expect to see improvement across:

1. Engagement of all pupils in regular physical activity. All children to engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE & Sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport
4. Broader experience of a range of schools and activities offered to all pupils.
5. Increased participation in competitive sport
