If you want to save this so you don't have to keep typing it in, you can 'bookmark' the page as follows:

Write a name for it (Wonde login) and then click 'Done'.

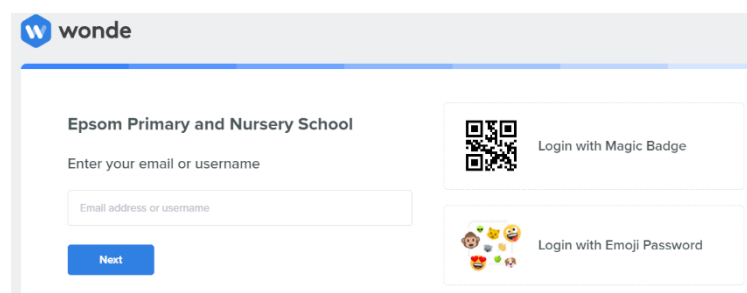

When you open a new tab you will see it on the bookmarks bar underneath.

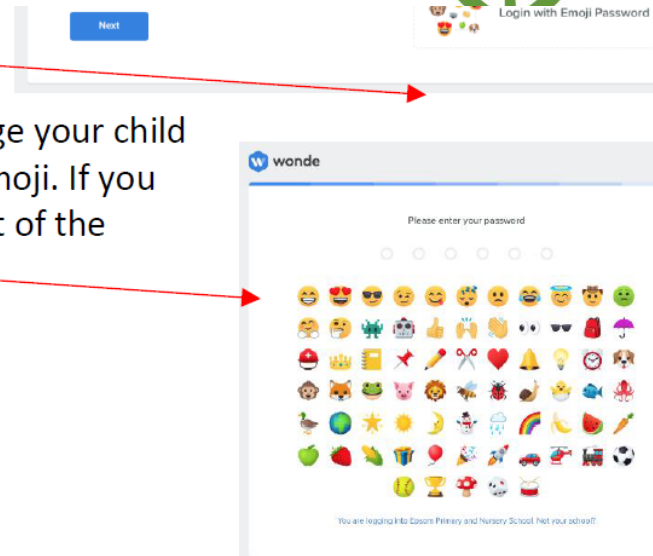

Logging on

Come back to this page that you have just bookmarked.

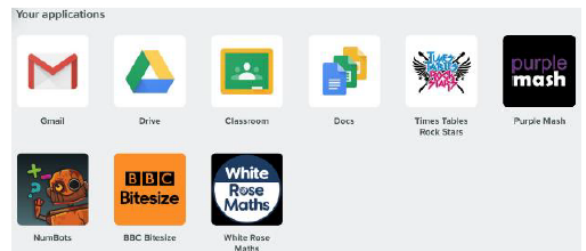

Click on 'Log in with Emoji Password'. You do not need to enter the username as well because the emoji password is linked to your child. Please encourage your child to enter the password themselves by choosing each emoji. If you make a mistake, just click the back arrow in the top left of the school and try again.

This will take you to the Epsom Primary School Wonde Dashboard which looks like this.

You will notice that the dashboard has quick links to other educational links your child will need to use for their learning so that they are easily accessible in once place.

You should now see your child's class name e.g. Pumas.

Click on their class and you have arrived in their Google Classroom.
